

**PENNSYLVANIA SOCIETY OF PROFESSIONAL ENGINEERS  
PITTSBURGH CHAPTER  
IN CONJUNCTION WITH THE ALLEGHENY INTERMEDIATE UNIT**

**Engineering Apprenticeship Visit Evaluation  
(to be completed by all students)**

The evaluations returned for the orientation session were quite helpful and we expect to use your comments when setting the agenda for next year. Your comments about the site visits will be used to help us improve visits for you this year and others next year. Feel free to use the back of the page. Return to Pittsburgh Chapter, PSPE, 337 Fourth Avenue, Pittsburgh, PA 15222 within one week of the visit.

Name \_\_\_\_\_

Host and Date of Visit \_\_\_\_\_

Were the directions sufficient? What other information should you have been provided ahead of time?

How many of the following were parts of the engineers' work environment? (check all that apply)

- |  |   |   |  |
|--|---|---|--|
| <input type="checkbox"/> Use of Personal computers | <input type="checkbox"/> Writing reports, etc.  | <input type="checkbox"/> Design Office        | <input type="checkbox"/> Doing hands-on activities |
| <input type="checkbox"/> Wearing suits & ties      | <input type="checkbox"/> Manufacturing Facility | <input type="checkbox"/> Making Presentations | <input type="checkbox"/> Construction Site         |
| <input type="checkbox"/> Making/Reading Drawings   |   |   |  |

What is the main type of activity engineers at this site perform?

What do you consider to be of the most benefit to you from this site visit?

What do you consider to be of the least benefit to you from this site visit?

List the names of at least two engineers you met during this visit and briefly describe one of their most recent projects or something of interest about them.

Why would you (or wouldn't you) consider a specific career in this type of environment
